Description

Maedate: Kabuto Japanese helmet ornament
Japan, Meiji era
Wood, lacquer, brass
Height 17cm - Head width: 11.5cm
Width of horns: 19.8cm

Carved wood representing a demon (oni) with long horns.

Aggressive expression of the head with two long teeth protruding from the mouth. Frowning eyebrows accentuate the eyes, which have golden bottoms in red cavities.

The first third of the horns is covered with a black crusty lacquer, ending with a brown lacquer identical to the head and back.

In the center of the head, a brass tenon allows for additional ornamentation.
