Description

Magnificent monumental marble fountain, an imposing piece dating from the late 19th century, which is sure to add a touch of grandeur to any outdoor space. This majestic fountain, measuring 230 cm in height and weighing almost a ton, is a true sculptural work of art.

Made in two parts, the lower tray and the rest in one piece, this fountain is designed to impress with its size and elegance. Marble, a noble and timeless material, gives the whole thing a majestic appearance and exceptional durability. Every detail of this fountain demonstrates the craftsmanship and aesthetics characteristic of the late 19th century. The elaborate carvings, floral designs and decorative ornaments add a touch of sophistication to the whole, creating a luxurious and elegant ambiance.
