Description

Anthropomorphic sandstone pitcher enameled in yellow with slag,

Berry La Borne, attributed to Jean Talbot (1809 - 1873)

Man hairdressed a tricorne,

The base of the hair is slightly enhanced with brown enamel.

Touch at the base, missing surrounded by an excess of enamel,

remained stuck when it came out of the oven.

Small defect on the left side of the tricorne, visible in the photo.

height: 18 cm

base diameter: 10 cm

weight: 720 gr
