

Yoroi Samurai Armor Japan Edo Period 18th Century

8 000 EUR

Period : 18th century

Condition : Bon état

Material : Wrought iron

Description

Superb Yoroi Samurai Armor Japan Edo Period.

Black lacquered breastplate with horizontal bands attached by cords and gold parts. There is a ring on the back to accommodate a banner pole. Note the symbols on the bottom (see photos).

Helmet with five red lacquered slats inside with neck, neck and face protector. There is a signature under the helmet (see photos).

Protective elements: Shoulder protectors, arm protectors, hands and leg protectors with vertical reinforcements.

We attach another helmet with two symbols on the top.
