Description

Set of 12 silver-plated knife holders from the Lyon-based goldsmith Roux-Marquiand. RM goldsmith's mark with a star. Model with Louis XV style shell decoration. The elegance of the model comes from the height and finesse of the base. Length 7 cm, height 4 cm, width 4.5 cm, height of the grab bar 3.2 cm. Work of great finesse, the protruding parts of the decoration are shiny and the recessed parts satin-finish. Although stylish, the sobriety of the decor allows for lighter cutlery. These knife holders will discreetly contribute to the elegance of your table.
