

Golden Metal Sun Mirror

Description

Very large sun mirror probably from Chaty Vallauris. Folded golden metal, large diameter of 92 cm. Convex mirror. In very good shape ! Very beautiful gilding. Model invented by the great Ironworker of the 1940s Gilbert Poillerat. Here a model from the 60s with a magnificent visual! Curved mirror allowing you to see the entire contents of the room depending on the location and hanging. Very well thought out! Remarkable decorative object! Do not miss !
