Description

Louis XV chest of drawers in marquetry with floral decoration, signed Latz. This magnificent chest of drawers in marquetry features exquisite floral decoration, typical of the Louis XV style. Signed by renowned cabinetmaker Latz, this piece combines the elegance of curved lines with the finesse of its marquetry work, making it a prized collector's item and a remarkable addition to any refined interior. About the cabinetmaker Latz: Jean-Pierre Latz was one of the most renowned cabinetmakers of the 18th century in France. Active in Paris, he is famous for his creations of high-quality furniture, often decorated with sophisticated marquetry and gilded bronzes. Latz worked for European royalty and nobility, leaving behind works that are highly esteemed at auctions and museums today. His
