

Pair Of Crystal Wine Glasses From The 18th Century Saint Louis

Description

A pair of wine glasses...
In cut blown crystal...
With a pretty gold decoration...
Manufacture of SAINT LOUIS...
From the 18th century...
In very good condition, light wear to the gilding...
But frankly they are great...
One is slightly higher and one pulse larger...
This is also normal as everything was done by hand...
Even the size for the legs of the feet are slightly different...
Weight... 187 gr
