Description

Art Deco Movado l'Ermeto - Pocket Watch.
Called "The Third Age of Watches".

Movado is one of the most famous Swiss watchmakers. The name Movado means in Spanish "Always in movement".

The Ermeto was designed to be the ultimate pocket watch. It was designed to be used by both men and women.

This model is covered with Crocodile Skin, made in stainless steel and is in good working condition but I chose to wind it by hand rather than opening and closing it 3 times as prescribed.

Dimensions when opened: 8cm x 4cm
