Description

Decorative panel in rectangular lacquered wood. Lacquer on a black background animated with 7 fish in a minimalist aquatic decor thus leaving room for the light provided by the gilding. Work Signed lower right VanNgonet located on the back in Vung Tàu. format 63.5/41cm Born in 1920 in Vung Tàu, he was a former student of the Gia Dinh craft school and became a specialist in both traditional lacquer and gouache. He is considered one of the first master lacquer craftsmen of Binh Duong at the beginning of the 20th century who received official training; he was notably employed by the world-famous Thành Le company.
