580 EUR

Period : 20th century

Description

I would describe this plastic lounge, made by the Canova company of Padua, as miniature furniture rather than as a toy, as the dimensions and structural characteristics allowed the child to use it

The chairs measure in centimeters: L 41xD 28 x 60 h backrest, 25 h seat

The sofa measures in centimeters: L72xD 25X 65 h backrest, 25 h seat

The coffee table measures in centimeters:
52x36x23 h

Some signs of wear, in particular on the plastic upholstery that covers the armchairs and sofa (see last photo for indicative purposes).
