### Description

Very Rare Parakeet Pencil Case Marcel Edouard-Marcel "Signed From the Artist to His Friend Mr Ternois" publisher and journalist in Paris 19th. 16.3cm long 7.5cm wide 14cm high This carved wooden pencil case, made by Edouard-Marcel Sandoz, is a remarkable piece combining utility and art. The top of the pencil case is decorated with a finely carved owl, demonstrating the skill and precision of the artist. The sides are decorated with incised geometric designs, adding an elegant and sophisticated touch. Sandoz, famous for its animal sculptures, has captured the essence and beauty of the owl with a smooth, patinated finish that gives the wood a warm appearance. This pencil case is not only a storage item for writing supplies, but also a decorative piece of art. The combination of
