1 380 EUR

Period : 18th century

Condition : Très bon état

Material : Gilded wood

Width : 36 centimètres

Height : 39 centimètres plus les fixations

Depth : 20,8 centimètres

Description

A large wall console...

In carved wood, in several parts...

The points are in rjoues...

And openwork...

All gilded with gold leaf...

With enamel decorations in color...

Limited to BOULE inlaid furniture...

From the end of the 18th century...

In good condition, although there are small gaps
in gilding that I would rectify with gold paste...

It is beautiful size with a wide and deep seat to be
able to place a large vase or a substantial statue...

Weight... 1 kilo 156 gr
