### Description

Danish bookcase by Ejvind A. Johansson edited by Ivan Gern. Furniture in two parts composed of a lower sideboard part and a higher display window part. The lower part reveals two storage spaces with shelves and two drawers. Superb quality manufacturing in rosewood. The cuffs of the lower part are particularly beautiful. The rosewood grain is magnificent. The frames are beveled in solid rosewood. The piece of furniture rests on four high rosewood legs. Vintage Scandinavian furniture stamped on the back with iron. Mark of the manufacturer and the Danish Control Furniture stamp.
