

## Pair Of Paintings Under Glass From Lebelle, Early 19th Century

2 400 EUR

Signature : Lebelle

Period : 19th century

Condition : Bon état

Material : Glass

Width : 20

Height : 14,5

Depth : 2

### Description

Pair of gouaches fixed under glass representing landscapes, one of which is decorated with a castle and swimming scene, the other depicting a hilly landscape of groves of trees and animated by animals and characters. The finesse of the drawing is extremely precise, especially since the difficult technique of fixing under glass is to start with the details which are gradually covered by other successive layers...
