Description

Still life with vase of flowers
Italian School of the nineteenth century

Oil on canvas
cm. 74 x 92,5
frame 97 x 112

Beautiful painting representing a rich still life, of great decorative taste, which strikes by the incredible vivacity and the balance of its composition.

The painting is in good hands and is distinguished by a beautiful contrast of colors evoking the still lifes of the seventeenth and eighteenth centuries, especially in the Florentine region.
