

Art Deco Enameled Silver Powder Compact

350 EUR

Period : 20th century

Condition : Très bon état

Material : Sterling silver

Description

Round shaped Art Deco powder compact. It is made of silver enameled in a beautiful almond green. The photos of the parts that are not enameled are of poor quality because of the reflections of the silver but the whole is in very good condition contrary to what the photos might suggest. D: 9cm.
