Period : 20th century

Condition : Très bon état

Material : Bronze

Length : 34

Width : 20

### Description

Charming bronze sculpture with green patina representing motherhood. We note that this sculpture is very typical art deco in the shape of the faces, the hairstyle, the representation of the hands as well as the patina. It rests on a polished French stone base which gives it a very aesthetic contrast. Attributed to Hugo Cipriani, sculptor born in Florence in 1887 who died in Paris in 1960. Small chips at the back of the base, very barely visible, see photo.
