Description

Large Louis a Greek or Roman god, with two buckets, two sconces and a drawer, from the 18th century. This inkwell is in good condition and is of exceptional quality due to its imposing size. It is very decorative. It is numbered under the drawer and also behind the two putti. Note: some recent screws visible underneath, some dirt and wear on the gilding, the two small white containers for the inkwells are probably more recent, slight scratches and wear from time, look carefully at the photos.
