### Description

Large gate leg dining room table in blond oak.  
This table is oval, very practical because it has two folding flaps which allows a small footprint and can be used as a console along a wall. Very good condition, 20th century period.

DIMENSIONS: 2.12m long, 1.43m wide and 0.77m high. 0.53m wide when both flaps are folded down. Delivery on estimate.
