Description

Large earrings in 750/°° white gold (18 KT, owl hallmarks), adorned with waves paved with brilliant-cut diamonds. Each curl has two waves worked in contrasts, between chocolate and white colors. Indeed, the upper part of these earrings is worked in white gold with classic rhodium plating, and paved with very white diamonds. The lower part is worked around brown, with white gold with blackened rhodium plating, and a paving of chocolate-colored diamonds. The grain setting of these earrings is of high quality, and the undulating edges are also decorated with a line of diamonds, so that the effect of paving and sparkle is omnipresent. The quality of this piece of jewelry can also be seen on the reverse side, by the affixing of openwork sockets worked in crosses. The wavy shape of the two superimposed

waves gives beautiful volume to these spectacular earrings. The closure system consists of a rod (for pierced ears) combined with a clip for better support. If you do not have pierced ears, our workshop can easily remove the stem for wearing with clips for non-pierced ears. Conversely, it will also be possible for us to remove the clip system... Total weight of the diamonds estimated at approximately 6.50 carats Gross weight: 32.52 g Condition: imperceptible micro-scratches on the gold parts, natural inclusions in diamonds not visible to the naked eye. Possibility of payment entirely remotely via the site. We remain at your disposal for any additional information regarding another payment method. Our reference: HS5869
