Description

Bright living room table or bar cabinet designed by Massimo and Lella Vignelli and produced by Poltronova - Italy - 1960s Based on a cubic shape with its right lines and angles. This original black lacquer side table is topped with a white plexiglass top with an illuminating function (interior circular neon). It opens with two doors on one side revealing an interior space in two parts with a small shelf. This space offers the possibility of making a small bar with one compartment for bottles and the second for glasses. Rare and functional coffee table that can be used for various purposes: Corner between two sofas, central island in a large space, decorative presentation table. Original and in good condition
