Description

Rare beautiful original drawing from the second part of the 18th century representing dignitaries in togas and a woman and her child designating a construction site for a coliseum on each side of a square column. This beautiful piece presented with its old marie-louise traced and gilded fillet in its natural wood frame with gilded chamfer is a wash of great rare finesse by the famous famous Artist De Longueil, this beautiful piece is a "Neo-Classical" curiosity "of remarkable quality both in the subject matter, the composition and the finesse of this Work, where we feel the mastery of a recognized Great Artist. This little drawing emanates big and takes us into this ancient world seen by a recognized designer, a collector's item....In good condition
