

## Large Bronze Buddha, Burma, 19th Century

3 500 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Width : 36 cm

Height : 50 cm

### Description

Region and style of Mandalay, capital of the kingdom in the 19th century. The Buddha is represented in the traditional position of calling the earth to witness his awakening to the quality of Buddha. Beautiful patina of this bronze where some traces of gilding remain. Pearly whites of the eyes, slight smile, expression of contemplation. Large bronze (50 cm, see photo next to a bottle of water)
