### Description

Still life with flowers and fruit

Oil painting on canvas

Period: 18th century

Origin: Naples, Italy

Dimensions: 92x85 cm with frame, 74x66 cm  
canvas only

Conditions: Excellent state of conservation

Description: Elegant still life attributed to an 18th century Neapolitan painter, depicting a vase full of bright and detailed flowers, including peonies, anemones and sunflowers. Next to it we notice a fruit basket, intended to symbolize abundance and transience. The mountainous background adds depth and the play of light and shadow gives three-dimensionality to the work. The work is enclosed in a precious hand-crafted frame, which further enhances its refinement and artistic value.
