### Description

**Description:**

Chiseled and gilded bronze.

These charming door tiebacks are made of a double Rocaille style shell.

We will note inventory hallmarks as on almost all 19th century tie-back doors, indicating that they were listed on the estate inventories, therefore being valuable objects at the time.

**Condition:**

Good used condition, beautiful patina.

There are five door tiebacks in fact, I am attaching the fifth.

**Dimensions:**

Wall plate: 11 cm x 4 cm, overhang: 12 cm, total height: 18 cm.

I acquired the lot from an old bronze maker.

There are various bronze elements or accessories from all periods, this type of supply is difficult to find especially for large models, therefore very decorative. I will present several models, and you can call me for a specific request that I can resolve if I also have this bronze element
