Description

Magnificent painting of a landscape, with a lively and neo-impressionist touch. Magnificent by its elevated point of view and its chromaticism, our gaze is captured by the purple color of the leaves of the tree, by the white trail of the watercourse on the plain and by the mauve tones of the reliefs which I 'surround.

The work is unfortunately not signed but its workmanship testifies to a beautiful hand.

Oil on strong cardboard, in perfect condition, painted towards the end of the 19th.

Size: 15 x 21,7 Inches without frame and 21,3 x 28 Inches with its 19th century frame as is.
