### Description

Antique Fir Chair

Dimension: H.86 cm - W. 42 cm (seat height: 44 cm)

Era: 1850 circa

Provenience: Alps

Essence: Fir

### Description

This antique Alpine chair, made of fir wood, embodies the simplicity and functionality of traditional Alpine design. Its shaped and perforated backrest with a heart in the center adds a romantic and symbolic touch, typical of the hospitality of the mountain valleys.

The seat, wide and comfortable, and the

characteristic legs guarantee stability on uneven floors.

With its natural patina and signs of aging, this chair is a piece of furniture that adds authenticity and warmth to any environment, including modern designer furnishings.

#### Information on the restoration

Our laboratory guarantees the conservative restoration of each piece of furniture while respecting its integrity.

Each piece of furniture is treated to guarantee solidity and hygiene.

In particular, the following are carried out:

- structural restoration
- accurate anti-woodworm treatment
- cleaning and sanitization
- finishing with natural beeswax and/or shellac (alcohol-based natural paint).
