### Description

Superb holy water font , floral bouquet-shaped backplash, reminiscent of those flamboyant bouquets of gilded brass located at period on each side of altar, in one carved wooden vase.

Highly relief repoussé work is combined here with engraving and pierced tooling, as for goldsmith pieces, and it is superb.

On bottom, bolted, a covered holy water box, from cast bronze, also with floral motifs.

Good condition, Small weaknesses in cutting, (see red arrows)

23.5cm x 14cm x 5cm.

Beautiful work from the Nuremberg or Germany Workshops

This item is for immediate purchase, payable by credit card or paypal.
