Description

Tripod side table from the Art Nouveau period. The vegetated base and inlaid in the shelf are typical of this period. The exterior moldings emphasize the finesse of the stem. The curve of these uprights stands out from the molded curved belt. The solid tops are framed with moldings. (dia 32 cm, h 31 cm) The shield shape is reminiscent of neo-classicism. Easy to place and move furniture in your home! Possible delivery not included in the price
