Description

A Piece of History

The Venetian dresser in light walnut and cherry wood from 1850 is a unique piece that represents the taste and elegance of 19th-century Italian craftsmanship. This furniture is not only functional but also a testament to the artisanal mastery of the time. Made from noble woods such as light walnut and cherry, this dresser exudes timeless charm that can enrich any space with its classic and refined design.

Design and Functionality

The dresser consists of four spacious drawers, offering ample storage capacity. Its dimensions, 133x58xH97 cm, make it perfect for fitting into various areas of the home, from the bedroom to the living room. The contrast between light walnut and cherry creates a very pleasant visual

effect, highlighting the natural beauty of the materials used. Every detail is carefully crafted, from the choice of wood grain to the creation of handles and profiles.

Condition and Features

This Venetian dresser is in good general condition, with a beautiful patina that showcases the charm of times past. Its clean lines and chromatic harmony make it an ideal addition to both classic and modern interiors. Although it does not require any particular restoration, a light intervention could further enhance the beauty of the materials and craftsmanship.

Shipping and Payments

We ship worldwide via Fedex, UPS, and DHL, ensuring professional packaging and insurance. Shipping within Europe is to be arranged. We accept secure payments via bank transfer, Visa, and Mastercard.

Conclusion

Adding this 1850 Venetian dresser to your collection means bringing home a piece of history, capable of giving elegance and style to any environment.
