Description

This rosewood veneer cabinet includes an Amplix brand radio with a tube amplifier on the front.

Below, a record compartment can store no less than 34 vinyl records. The top has a flap, veneered on the inside, mounted on hinges and compasses, and contains a record player with 72, 33 and 45 rpm function. The sides are veneered horizontally. The bottom is slightly stepped.

Perfect companion to brighten up your evenings with music, this TSF radio is a particularly well-crafted and resolutely vintage decorative piece of furniture. ***** Period: 1950

Excellent condition. Sound system Ok, but Revision to be expected Varnished finish.
