

Manfredi Earrings Pendants Citrines Pear, Diamonds Yellow Gold Pierced Ear Clips

Description

Clip-on earrings for pierced ears, in 750/°° yellow gold (18 KT, owl hallmark) signed by MANFREDI, founded in 1988, whose boutiques are located in Greenwich and New Canaan Connecticut. Contemporary earrings, they offer a refined design. Two soft shapes in mirror-effect gold punctuated with brilliant-cut diamonds set in a bezel setting contrast with two pear-shaped citrines, mounted in the opposite direction to the classic version expected for this cut shape, also set in a bezel setting. The rendering is homogeneous both in terms of the colors (yellow of the metal and the stones) and the harmony of the shapes that respond to each other. The two parts of the earrings are articulated together by a careful and studied assembly so as to be perfectly invisible when worn. The material of the citrines

and the mirror effect of the yellow gold flat areas (as a result, the darker areas or spots are only reflections of the immediate environment) give a beautiful luminosity to these earrings with a sober design. Their closing system consists of a rod (for pierced ears) combined with a clip for better support. If you do not have pierced ears, our workshop can very well remove the rod for wearing by clips for non-pierced ears.

Conversely, we will also be able to remove the clip system...
