Description

Ghana, Ashanti people, very pretty and old fertility doll "Akwaba". Made from a single piece of wood, its body is characterized by a desire for purification through the use of cylindrical geometric shapes. The nose, eyebrows, mouth, ringed neck, chest and navel are represented in slight relief and enhance the beauty of the sculpture. Good condition except for old restorations and a few cracks, nothing abnormal and no impact on the beauty of the piece.

Height 41 cm (42.2 cm with its small base). The scale indicator in the last photograph is a small model of a lighter from a well-known brand. A certificate of authenticity committing us to the content of this ad will be drawn up and given to the purchaser.
