Description

Bus station FAVRENE

100x73 cm

Favrene, painter from Lyon:

He was born in 1934 and spent his childhood in Croix Rousse. Seduced by the serif technique of Georges Renault and by the architecture of Fernand Léger's compositions, he found his style after multiple transatlantic wanderings.

His works have been exhibited not only in France, but also in Canada and England - in many salons and galleries. His works have been acquired by the cities of Lyon, Villeurbanne, Sytral, as well as the bishopric of Lyon.
