Description

Charming portrait of a young girl, dressed in the antique style, in a white gauze dress, her shoulders covered with a light blue silk scarf. She has a very pretty face in this outfit typical of the early 19th century. The painting is signed and dated, but the signature is difficult to read. It is presented in its original frame, with good gilding, but in need of restoration. The painting has been cleaned and re-varnished, it is perfect.

Dimensions of the painting: 22 cm x 27 cm
