Description

This pair of lamps dating from the 70s has remained fresh in color. One is green, the other pink. They are large, decorative as desired. By playing with the lampshades we can get our first photo. The lampshades are a little discolored by time, note that they are stained (especially on an entire facade) and show signs of wear. The bases are in good general condition considering the period. The electricity is old, so it needs to be reviewed for safety reasons. Our photos allow you to appreciate the quality of the objects. For the condition, please detail the photos. Do not hesitate to zoom in. The photos are an integral part of the description. Dimensions: Height: 88 cm Base height: 47 cm Lampshade height: 41 cm Base diameter: 17 cm Upper lampshade diameter: 35 cm Lower lampshade diameter: 45 cm
