<https://www.proantic.com/en/1418428-chantilly-lace-black-silk-thread-long-length-late-19th-century.html>

Description

Long and wide flounce in particularly light Chantilly lace, with a scalloped low border and decoration of interlaced friezes, mixed with floral sprigs on a network background sown with points d'esprit. Beautiful quality of solid material under tension. No discoloration.

Condition : Apart from a few drops scattered in the background, the whole is in very good condition. Unwashed lace having been reserved in excellent storage condition.
