Description

This 18K yellow gold ring is a jewel highlighting a natural ruby of "Vivid Red" color (bright red) of "Pigeon Blood" quality, certified by the GIL center (Gemological International Laboratories, Canada). This ruby stone, measuring 8.19 mm x 6.08 mm x 3.54 mm, weighs 1.83 carats and is authenticated HT (1) with the report number: (STO2022071149752). The ruby, cut in an emerald shape, is set by four claws in the center of the ring, surrounded by 14 brilliant-cut diamonds, also held by claws. The ring, thin on the sides, widens harmoniously to offer optimal comfort. The master's hallmark is visible inside the ring, guaranteeing the authenticity of the gold. The gold weight of the ring is 4.21 grams. With a size of 54 and a total weight of 4.7 grams, this ring combines elegance and finesse. It will
