### Description

A set of seven 'Van Frytom' tea bowls and saucer dishes.

Japan, Arita, Edo period, c. 1690-1710.

The rare set consisting of three tea bowls and four saucer dishes with matching decorations in underglaze blue in the style of Dutch Delft painter Frederik van Frytom.

The bowls with spreading sides and everted rim, decorated in underglaze blue, on the outer body with a Frysian "kop-staart-rompboerderij" (translation: Head-Neck-Body farmhouse) and two figures standing next to each other in a landscape, the inner and outer rim with washed-blue bands. The well on the inside decorated with a figure standing in the grass with

trees and a house. A typical stylized four-character Chenghua mark to the base.

The dishes in the form of a flower with foliated rim. Decorated in underglaze blue, similar to the bowls, with a Frysian "kop-staart-rompboerderij" and two figures standing next to each other in a landscape with grass, trees and clouds in the sky. The inner rim with a washed-blue band, the base with spur marks and a six-character Chenghua mark.
