Description

This Art Deco set consists of two barrel-shaped armchairs and two chairs, all in solid mahogany. The armchairs, with their rounded backs typical of the style, are supported by keel-shaped legs at the front and sabre legs at the back. The chairs, for their part, share these same characteristics: keel legs at the front and sabre legs at the back. The set has been reupholstered with a bright and modern fabric, bringing a contemporary touch.
