NOTE: All our watches are taken care of by our watchmakers in order to give them a second life and a condition as new as possible. However, these watches remain second-hand watches and may show some signs of use. In addition, when necessary, the dials are renovated by a master craftsman. It is also possible that the dials have been changed in the past by the manufacturers themselves (by Cartier, Rolex, etc.) as part of the refurbishment of your watch. We guarantee the authenticity of all our watches. All guarantees begin on the date the watch leaves the workshop.

As this timepiece is second-hand, no guarantee of water resistance will be provided. We remain of course at your service to provide you with the best possible information on the condition of these watches. RETURN POLICY: Following numerous abuses, we specify that returns are accepted within 14 days provided that the item is returned in the same condition in which it was sold. The return is void and therefore not valid from the moment the watch has been worn, or damaged in any way (shock, broken or lost glass, missing screws or any other part, damage due to the presence of water, etc.).
