### Description

Italian Necklace in Antique Coral with Gold and Diamond Clasp

77cm, 77gramms

Period: Early 20th century, clasp from around the 1950s

This refined Italian necklace in coral is of high quality and is presented in good condition. The coral, in an enchanting pale orange-red color, is enhanced by a gold clasp, made in two colors: white and yellow, adorned with diamonds. The beads, barrel-shaped and faceted, are arranged in a graduated manner, with the largest measuring 12 mm. Between the barrel beads, the thread is skillfully knotted to prevent the loss of beads and to give the right distance and proportions, allowing appreciation of the beauty of each
