

Rare Off-center Venetian Carafe, Early 19th Century, Blown Glass, Very Good Condition, 435 Grams!

320 EUR

Period : 19th century

Condition : Très bon état

Material : Glass

Height : 33,5 cm

Description

Magnificent glasswork for this "drunken carafe" in blown glass. Anyone who knows a little about glassmaking will appreciate the technical prowess at the origin of this unique, tenuous, and "living" object, almost organic..., and incredibly light! Complete, with its "hollow" stopper, and in superb condition. Height with stopper = 33.5 cm, without stopper = 23.2 cm Diameter at the belly = 19 cm Weight = 435 grams!..., a feather!
