Description

Silver-plated metal planter with braided decoration. The planter has no signature, but the Christophle house is the creator of the braided model. The braiding is in perfect condition, note some wear to the silvering. Model of good quality, its weight confirms it. In braided silver-plated metal it is easy to find round or rectangular baskets, but the model of the planter is rare. Shipping costs by Colissimo on France with tracking: 40 euros (linked to weight)
