

Pair Of 19th Century Langeais Earthenware Planters

180 EUR

Period : 19th century

Condition : Bon état

Material : Earthenware

Width : 16cm

Diameter : 16cm

Height : 17cm

Description

This is a beautiful pair of 19th century Langeais earthenware cachepots. It is in good condition, apart from the lack of a ring on one of them. The platinum-enhanced decoration technique gives Langeais earthenware its particularity. This model with intertwined vine branches is very little worn and the platinum decorations are particularly well preserved and shimmering.
