Description

COD 11156

Pair of Italian consoles from the first half of the 20th century. Furniture carved in walnut and cherry wood with ebonized borders of beautiful line and pleasant decor. Pair of wall consoles that can be joined to form an extendable round table (original extension included in the offer, see photo). Extendable table of beautiful size and excellent service, can reach the maximum length of 224 cm. Table that once assembled offers good stability and solidity, ideal for placing in a room or lounge, for antique dealers and interior designers. Wall consoles resting on three solid legs worked with ebonized decorations. Wooden tops in good condition with some signs of wear and restoration (see photo). Structurally sound furniture, overall in good condition. Closed table
