

# 'medecine Glass And Minim Measures'

#### **300 EUR**

Period: 19th century

Condition: Très bon état

Material : Glass Diameter : 6 cm

Height: 7 cm

# Description

Signed 'Regnas' [London - UK], c. 1900-1920. Cardboard case lined with green long grain morocco, interior lined with red and green paper, glass containers with engraved and painted measurements. A delightful English, Victorian or Edwardian, set of two medicinal remedy measuring cups in an elegant shaped case. A miniature glass, for small doses with engraved graduations on the glass, is concealed in an internal compartment. The larger glass, stacked on this hidden compartment, is marked in yellow for measurements corresponding to teaspoons or table spoons.

Excellent condition.
