Description

Beautiful two-pin clip brooch, called a fur clip, representing a bee whose body is made of an irregular cabochon emerald and wings in yellow gold, eyes in red crystals.

The wings, the setting and the pin system of the clip are in unmarked gold, tested 18 carats with a touchstone.

Perfect condition, the spring of the system is fully functional!

The two-pin clip model, intended to be worn on a fur collar or lapel without damaging the clothes, allows this brooch to be dated between 1928 and 1950.

Unsigned, period 1930-1950

Dimensions 2.8cm x 2.3cm
