### Description

38-piece service, Keraluc earthenware factory in Quimper. Quimper earthenware company created in 1946 by the ceramic engineer Victor Lucas (1897-1958) and active until 1984. Consisting of a carafe, a casserole dish, nine flat plates, twelve soup plates, six fondue plates, a bowl, a small plate, a frying pan, two serving dishes, three mugs, a tumbler.

"Contraction of the "house of Lucas" in Breton, Ker ar Lucas, the Keraluc earthenware factory was founded by Victor Lucas in 1946. The engineer, from the national ceramics school of Sèvres, spent eighteen years at Henriot and four years at HB. In the midst of the Reconstruction, he decided to bring to fruition a long-standing project. It is about creating a pottery, imagined as a living art center reserving a totally free
